

**Hiring Supervisor:** Aron Bowman  
**Position Status:** Hourly (\$21-\$30)  
**Location:** Lewisville, TX  
**Job Classification:** Manufacturing Tech  
**Relocation Benefits:** No Relocation Benefits Provided

**Job Description:**

ELM FieldSight provides unique solutions in Asset Monitoring and Control to their customers. Their suite of products includes:

- Remote monitoring of industrial equipment
- Microgrid Site Controllers for energy systems that include generators, inverters, solar arrays, and batteries
- Battery Energy Storage Systems

ELM FieldSight is looking to hire multiple manufacturing technicians to perform assembly, quality assurance, and factory testing of their battery energy storage systems. This applicant would be responsible for mechanical assembly of enclosures, electrical wiring of the system, factory testing, and maintaining good documentation for quality assurance. The electrical wiring will include both AC and DC wiring with wire sizes ranging from 22 awg to 500 MCM. Enclosures can range from 16" x 16" wall mount enclosures to free standing 15' x 6' x 9'. This position may use a computer and Microsoft office products for developing and reading assembly instructions. A range of applicants will be considered for this position with starting pay rate based on level of previous experience with fork truck operation, general electrical wiring practices, previous production, or technician experience.

**Qualifications:**

- High School Diploma required
- Preferred previous experiences include
  - Experience cutting and terminating large conductors
  - Fork Truck Operation
  - OSHA safety experience a plus
  - ISO or other quality program experience a plus
- Must have effective oral and written communication skills and work well with people
- Must be a self-motivator to create and coordinate their own tasks and goals.

**Application Procedure:**

Please apply by emailing your resume or application [careers@elmllc.com](mailto:careers@elmllc.com) please include the Job Classification as your subject line.
